Re: TriStar Skyline Medical Center (Hospital License 00000023) – Confirmation of Closure of Skyline Madison Campus

Dear Ms. Reed:

I am writing to inform you that as is more fully discussed in my letter dated May 17, 2024, a copy of which is attached, on August 1, 2024, HTI Memorial Hospital Corporation, d/b/a TriStar Skyline Medical Center (“Skyline”), ceased providing services at and closed its TriStar Skyline Madison Campus, which is located at 500 Hospital Drive, Madison, Tennessee 37115 (the “Madison Campus”). Prior to its closure, the Madison Campus was operated as a “satellite hospital” of Skyline, as such term is defined in Tenn. Comp. R. and Regs. § 0720-14-.01(84).

All of the inpatient and outpatient mental health services that were previously provided by Skyline at the Madison Campus are now being provided by TriStar Centennial Medical Center, a general acute care hospital located at 2300 Patterson Street, Nashville, Tennessee 37203 (“Centennial”), and Centennial’s Parthenon Pavilion. Although Skyline will no longer provide services at the Madison Campus, Skyline does want to retain all of the 121 licensed beds that are located at the Madison Campus and for the Madison Campus to remain attached to Skyline’s hospital license. Skyline further wishes to maintain its full licensed capacity of 407 beds.

We thank you again for all of your assistance in this matter. If you have any questions or need any additional information, please feel free to let me know.

Sincerely,

Mark Miller  
Chief Executive Officer

Encl.
