The Plastic Surgery Center Brentwood
620 Church Street East, Brentwood, TN 37027

ASTC Single-Specialty to Multi-Specialty Conversion

- ASTC Established in 2017 as Plastic Surgery Only, by CSPC Physicians Only
- **Currently 4 practice office locations:**
 - Franklin (Cool Springs, Williamson County)
 - Brentwood (Davidson County)
 - Nashville (MidTown, Davidson County)
 - Mt Juliet (Wilson County)
- No Change Requested in Number of Operating Rooms (2) or Procedure Rooms (1)
- Allow Surgeries by Surgeons who are not Owners of the Applicant
- New Procedures Related to Various Types of Plastic Surgery Procedures Currently Performed

CON Criteria

- Need
 - HFC Staff Report
 - All Applicable Criteria and Standards Met Except for Number of Cases
 - Cases are Consistent with, and Projections Exceed, Historical Utilization of CSSC and Similar Plastic Surgery ASTCs
- Consumer Advantage
- Quality Standards

Examples of Multi-Specialty Procedures

- Septoplasty
- Rhinoplasty
- Blepharoplasty
- Canthoplasty
- Canthopexy
- Hernia Repairs

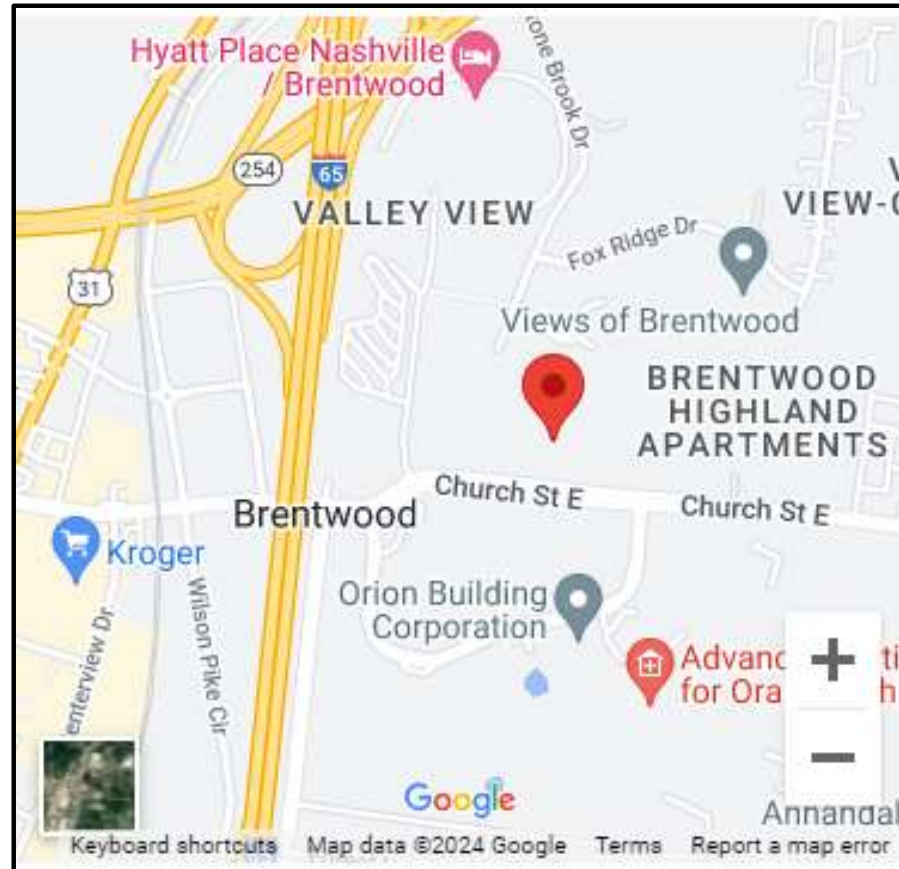

Examples of Multi-Specialty Physicians

- General Surgeons
- ENTs
- Plastic Surgeons
- Oculoplastic Surgeons

Support Letters

- Sherman Aesthetic Center
 - Ability to Collaborate and Elevate Quality of Care
 - Multiple Surgeons Needed for Facial Surgeries
 - Synergies of Care
 - Enhanced Post-Surgical Quality of Life
- Kate O'Connor, MD
 - Surgeon Collaboration Across Specialties
 - Patient Convenience
 - Lack of OR Time for these Collaborated Surgeries
